C) Template:

The screenshot displays a website template with an orange border. At the top, there is a navigation bar with a logo of a hand holding a sword, followed by links for HOME, CONTACT, SHOP, and a shopping cart icon. Below the navigation is a large, dark illustration of a giant mechanical eye and tentacles from the League of Legends game. The main content area is divided into sections. The first section, titled "Best Selling Products", contains three items: "Dunkmaster Darius" (RIOT), "Pizza Delivery Sivir" (RIOT), and "Radiant Wukong" (RIOT). Each item has a small character icon, the brand name "RIOT", the product name, a price of "60\$", and an "Add to Cart" button. A "SEE ALL >>" button is located at the bottom of this section. The second section features four icons with accompanying text: a truck for delivery, a checkmark for quality, a dollar sign for affordability, and a group of people for staff support. The bottom right corner of the page includes a "Powered by 000webhost" watermark with a logo.
